# MEDINA COLLECTION

Our talented artisans have breathed life into this collection of hand painted terra cotta. Light brush strokes combine with softened edges to create a harmonious collection full of character. There are 14 field colors, 23 unique patterns in a total of 65 combinations, arabesque field shapes, small decoratives and mouldings to complete any design. Whether it is a field tile, pattern, or a moulding, each piece of wood fired clay is uniquely hand crafted.
