## TUSCAN TERRA COTTA COLLECTION

Our deep appreciation for hand work is evident in our Tuscan Terra Cotta Collection. Natural red clay is hand pressed and fired in traditional wood-burning kilns. Each piece is available in its natural state, or with a rich stain—again, applied by our artisans' hands. Shapes include rectangles, squares, hexagons, thin running bonds and interlocking sevilles. Terra cotta is extremely versatile, and the number of sizes we've made available offer a limitless number of design possibilities.
