# A contemporary twist on a classic design motif

We are very proud to introduce this collection of Stone Slat Panels. Each natural stone is sourced from our quarries and then cut and finished by our team of professionals. These versatile design elements are perfect for your interior and exterior projects.

Our panels are designed to be simple to handle and installed with traditional methods. Being natural stone products, cleaning and maintenance requirements are minimal when compared to similar wooden panels.

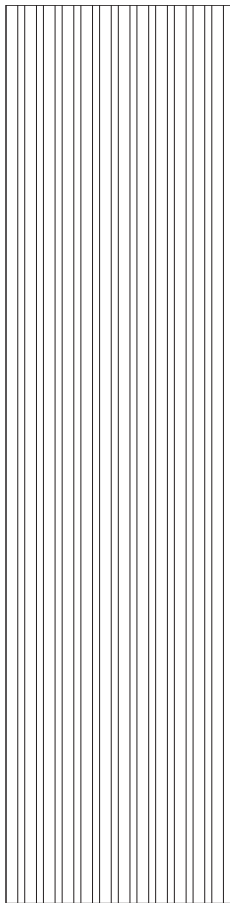

# Simplicity and character

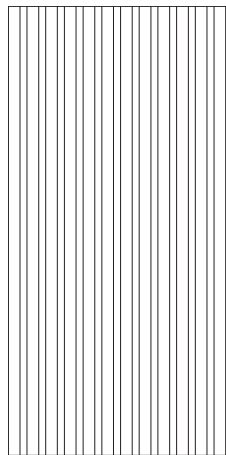

We offer our Stone Slat Panels in two modular sizes and six beautiful, natural limestones and marbles. We are also more than capable of creating custom panels if your project requires different sizes or altered slat and gap dimensions. Contact us for complimentary 4" x 4" samples of the six available limestones and marbles.

## SIZES

3/4" THICKNESS

12" X 48"

12" X 24"

AVAILABLE STONES

HONED FINISH

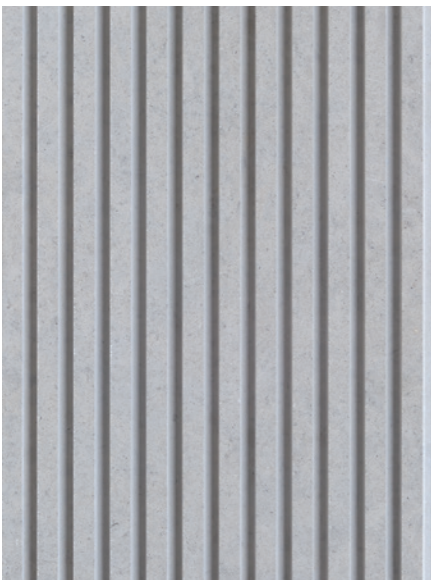

Calacatta Bardiglio SP-CCB-HN  
MARBLE

Narbonne SP-NRB-HN  
LIMESTONE

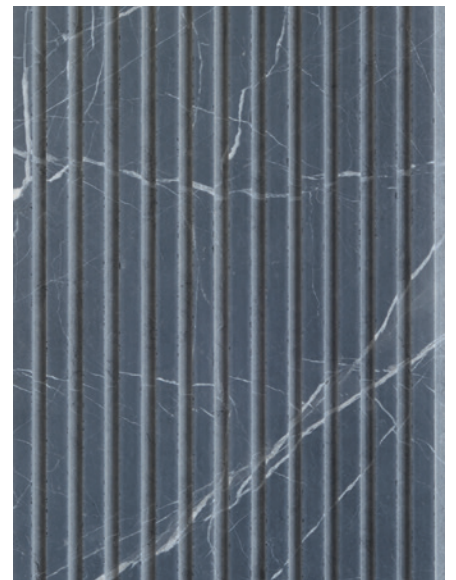

Lueders Vigor SP-TXL-HN  
LIMESTONE

LIMESTONE

Cire Brune SP-CBN-HN  
MARBLE

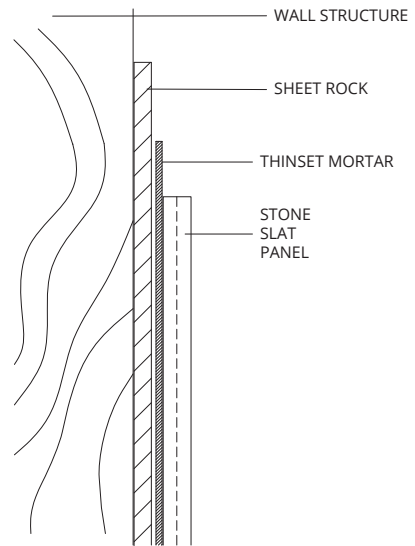

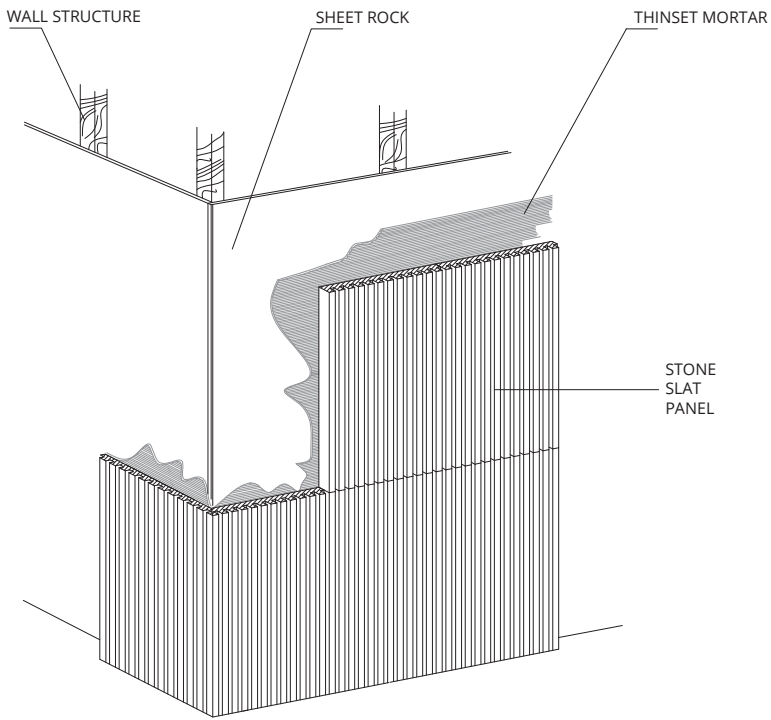

Vasio SP-VSO-HN  
MARBLE

### SPECIFICATIONS

PANEL SIZE	12" X 48" X 3/4"	12" X 24" X 3/4"
FINISH	HONED	HONED
WEIGHT PER PIECE	24 LB.	12 LB.
APPLICATIONS	EXTERIOR/INTERIOR	EXTERIOR/INTERIOR

### INTERIOR INSTALLATION

**PRODUCT CODES**

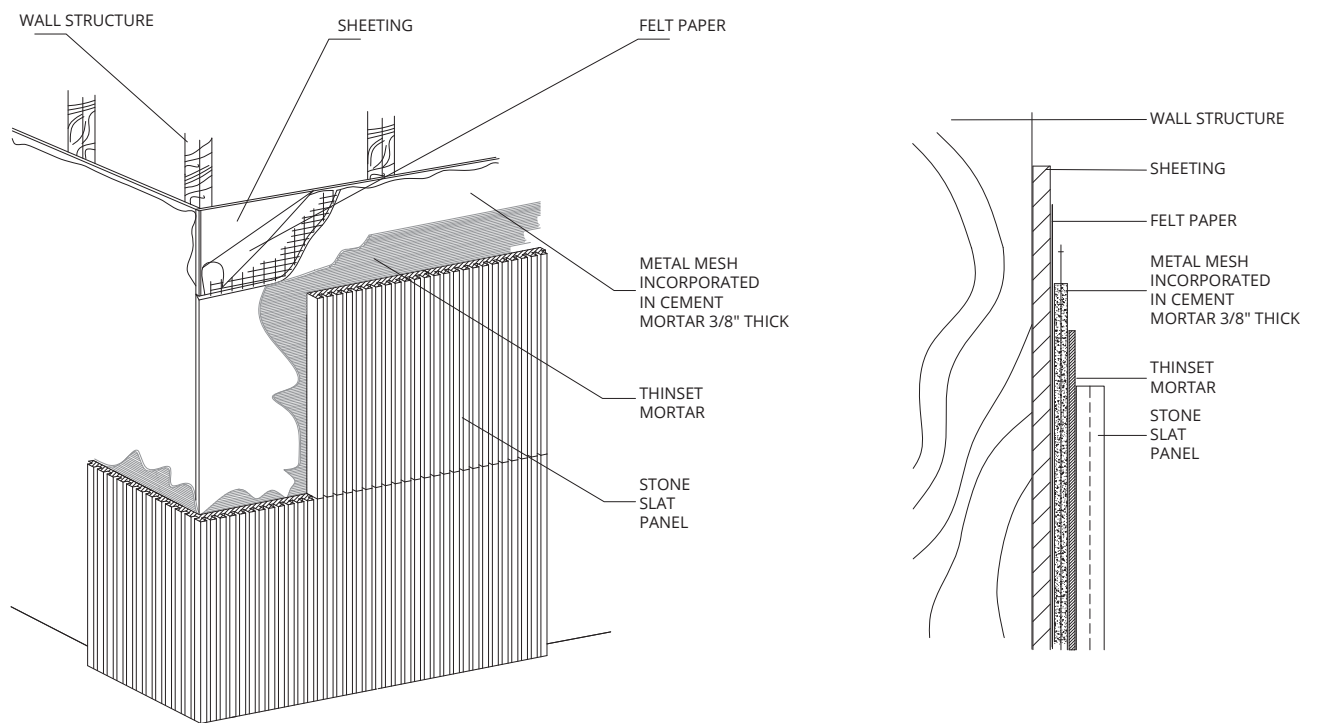

Our Stone Slat Panels have Product Codes created according to this formula:

SP-[PRINCIPAL STONE CODE]-[FINISH CODE]-[HEIGHT AND WIDTH]-[THICKNESS]

So, a Stone Slat Panel made from Narbone, with our standard Honed Finish, and measuring 12" x 48" x 3/4" would have the following Product Code:

SP-NRB-HN-1248-34
